Dear MARK.

Just a few lines to thank Kevin
yourself and HOKKLAND WILDFOWLERS for the
morning partridge goose flight on your marshes.
What a lovely morning, good company, plenty of geese
flying about, and they say you always see
something different on a morning flight - this time
it was CHINESE WATER DEER, which I have never
seen before. Well once again thank you very
much. Hope to see you next season if
all goes well.

Yours faithfully

P.S I SHOULD HAVE DONE BETTER.
